Product Description

Product Description:

12.1-Inch Car Video Android 13 DVD Player GPS Navigation Lexus RX300 RX330 RX400 4+64G

RX330 car navigation, 12.1-inch 1024 * 768 high-definition capacitive screen, supports 1080P high-definition video, plays high-speed and stable, runs more sensitively, smoothly, and accurately

Our product can control the time for the four speakers of a car to play sound. This surround feeling makes you feel like you're in a music hall. This is a more advanced enjoyment. Optical and coaxial digital audio output are very suitable for car audio enthusiasts. Coaxial and fiber optic connectors. Greatly reduce background noise and improve sound effects.

Compared with the built-in Bluetooth, the standalone Bluetooth module Altek 8761 has all the functions. More stable connection and better call performance. Bluetooth AHD camera input supports 1080P high-definition resolution camera with built-in AHD decoder

Features:

Product Name: Car Video

Capacitive screen: Yes
