Product Description

Product Description:

9.7 Inch Vertical Screen Car Video GPS Navigation System For Dodge Ram 2013-2017

Elevate your journey in the Dodge Ram 2013-2017 with our premium car screen, designed for those who demand more from their drive. Featuring the latest Android 13 OS, it seamlessly integrates with your vehicle, delivering top-tier performance and an immersive viewing experience. Whether you're using CarPlay or Android Auto, every feature is designed to enhance your driving experience, making every trip smooth and enjoyable

Features:

Dodge Ram 2013-2017 Car Navigation System 9.7" Car Stereo Android DVD player

Effortless Compatibility: Perfectly integrate with the original car's features via the Canbus box, maintaining all functions in your Dodge Ram 2013-2017.

Reliable Navigation: Navigate with confidence using the built-in GPS system, offering precise guidance and location tracking.

Premium Audio Quality: Enjoy 5.1 channel stereo output with adjustable DSP tuning for an exceptional in-car audio experience.

Comprehensive Media Support: Play music and video in various formats, ensuring you can enjoy all your favorite content.

Expanded Functionality: AUX input capability allows for external audio and video sources, making your system more versatile.

Advanced Radio Features: Tune into AM/FM/RDS radio with enhanced clarity and stability.

Third-Party App Support: Access the Google Play Store for expanding your system with third-party apps, enriching your driving experience.

Multiple Device Connections: Use three USB outputs to connect and manage multiple devices like dash cams and storage drives.
